

technical features of the PLANA BED

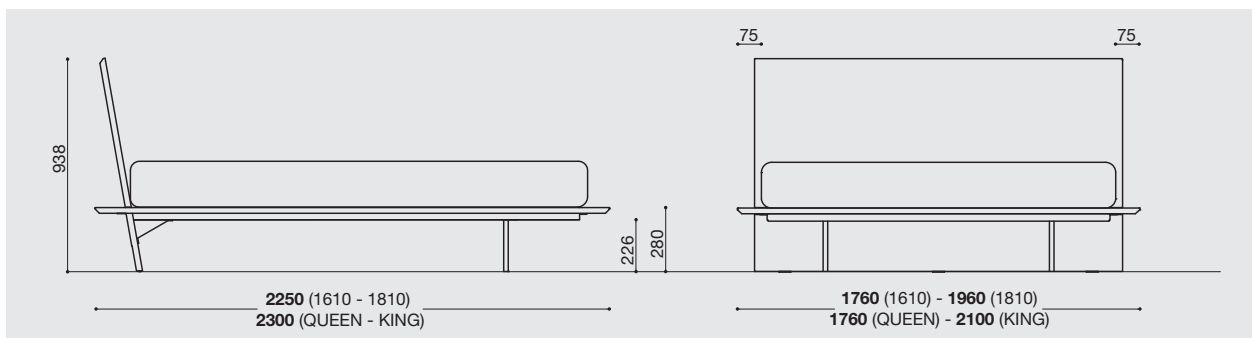

It is supplied with an integrated self-bearing slatted base with beech slats: 6 slats have rigidity regulators and 4 slats have different resistances for shoulder support.

Slats with rigidity regulators to customise the slatted base.

Slats with different resistances for shoulder support.

NOTES: The bed is supplied with H 227 square feet with a matching coloured matt lacquered finish for the matt lacquered and upholstered versions.

The headboard and bed-frame are made from matt lacquered, class E1 MDF. For the upholstered version, the headboard and bed-frame are made from upholstered, class E1 MDF with removable leather, Tecnopelle or fabric covers. On request it can be supplied with a methacrylate supporting base.

Delivery terms for QUEEN and KING beds require an additional 2 weeks on top of the usual terms.
