

technical features of the AQUA BED

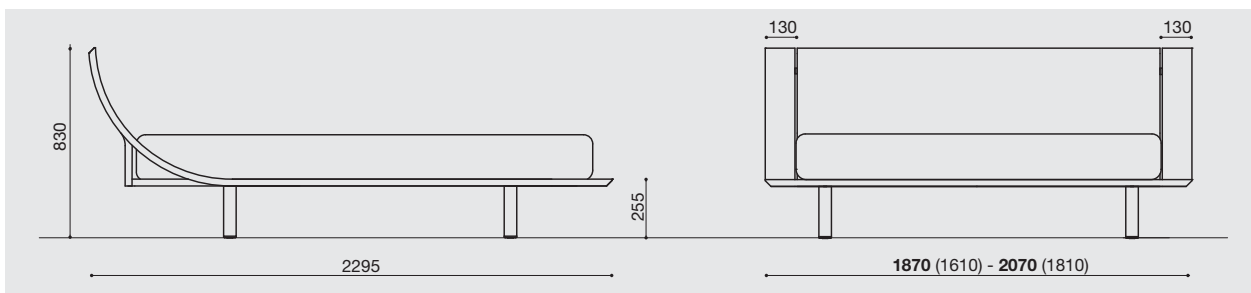

It is supplied with an integrated self-bearing slatted base with beech slats: 6 slats have rigidity regulators and 4 slats have different resistances for shoulder support.

Slats with different resistances for shoulder support.

Slats with rigidity regulators to customise the slatted base.

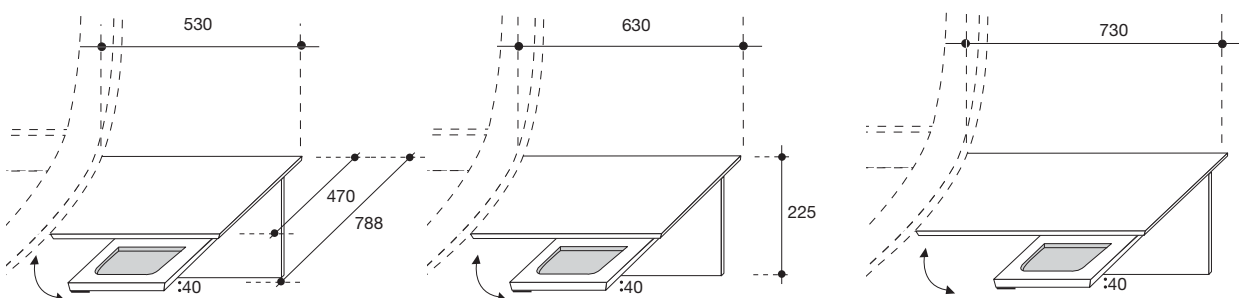

The bed is supplied with H 227 feet in wood for the grey oak and walnut finishes and in matching coloured matt lacquer for the matt and gloss lacquered, color wood and upholstered versions. On request it can be supplied with a methacrylate supporting base. The headboard and bed-frame are made of curved multi-plywood. For the upholstered version, the headboard and bed-frame are made from class E1 MDF upholstered with leather or Tecnopele.

The upholstered version has a non-removable cover.

NIGHT-STAND ADJUSTABLE TO 3 POSITIONS

WITH A METHACRYLATE SUPPORT ON THE REAR
THE DRAWER IS 33 MM DEEP

NOTES: The grey oak or walnut swivel drawer is in grigio antracite lacquer on the inside. If the outer finish is in matt or glass lacquer, color wood or upholstered the inside will be matt lacquered in a colour matching the outer finish.
